Background

Christ Church Cathedral is an Anglican community for Christian leadership, worship, and mission in the heart of Fredericton, New Brunswick. It lies at the heart of the city, on the riverside and adjacent to the Bill Thorpe Walking Bridge, and as such, receives many visitors throughout the summer. With hundreds of people choosing to visit the Cathedral each year, it is a wonderful opportunity for our guides to share the key role of our church in Fredericton's past and present.

Our tour guides provide a warm welcome and excellent hospitality to visitors and locals. Previous summer tour guides have enjoyed meeting people from around the world, learning the history of the Cathedral, and gaining experience in bilingual tourism.
